

Student Cluster Competition

Sponsor the Annual Student Cluster Competition

Skill STEM Students Today ~ Tool Workforce for Tomorrow

ISC Group, the organizers of ISC High Performance, and the HPC Advisory Council (HPCAC) invite you to support Science, Technology, Engineering and Mathematics (STEM) student development to further advance the skills needed for tomorrow.

Sponsorship Levels

Doceo — \$20,000

Magister — \$10,000

Baccalaureus — \$5,000

Award Ceremony (5m Talk)			■

*Sponsorships fund team and live competition exclusively, including: conference admissions; team travel, accommodation, transportation, meals; exhibition properties and fees; AV, rentals, loaner and competition equipment; recognition awards; materials design, printing and production; promotions (media, advertising, collateral, signs, etc.); shipping and drayage and labor. *x4/2/1 are the total number of available sponsorships. Online promotions run three weeks prior to and post competition dates.*

Cheer SCC teams competing at ISC on systems of their own design, challenged to run everything from standard benchmarks to Mystery Apps without tripping the 3kW power monitor. Judge and award the winning teams for the best overall score, highest Linpack and most votes for Fan Favorite.

SCC Seeds Growth STEM Takes Root

Global awareness of STEM is on the rise – attracting student interest and investing in hands-on training prior to graduating from STEM student to skilled professional remains a grand challenge.

The European Parliament's Committee on Employment and Social Affairs estimates demand for STEM talent to increase by 8% annually – with more than 1 million new positions each year and more than 7 million STEM opportunities by 2025 - in the EU alone!

An SCC sponsorship benefits all stakeholders – private and public alike - and extends far beyond competitions, time and borders.

Seed the future with the influential power of your brand.

- Encourage student interests and entries in STEM curriculums
- Promote importance of developing experienced subject matter experts
- Expand professional talent pools and resources

Reap good will benefits and even greater long-term returns.

- Revenue Potential: foster new ideas and innovation
- Brand Advocacy: establish new users, customers, partners
- Social Impact: stimulate economic growth and prosperity

Student Cluster Competition

Dedicated to supporting undergraduate talent development, gained as a result of this unique hands-on, live competition, the ISC Group and HPC Advisory Council invite you to join in support of this visionary collaboration to address the growing demand for experienced STEM expertise.
